The screenshot shows the Google Calendar web interface. At the top, there are navigation links for Mail, Calendar, Documents, Photos, Reader, and Web. Below these is the Google logo and the word 'calendar'. A search bar is visible to the right. In the main area, there are two buttons: 'Create event' and 'Quick add'. The 'Create event' button is highlighted with a red rectangular box, and a red arrow points from this box towards the calendar grid. Below the buttons is a calendar grid for March 2011, with the date 19th highlighted. To the right of the calendar grid is a vertical timeline showing the time slots from 5am to 12pm. Below the calendar grid, there are sections for 'My calendars' and 'Other calendars'. The 'My calendars' section shows a calendar named 'wmgc@willametteclub...' with a dropdown arrow. The 'Other calendars' section shows a calendar named 'US Holidays' with a dropdown arrow.
